

The slide features a solid blue background. On the left and right edges, there are decorative patterns of overlapping chevron shapes in yellow, magenta, and light blue. The main text is centered in the upper half of the slide.

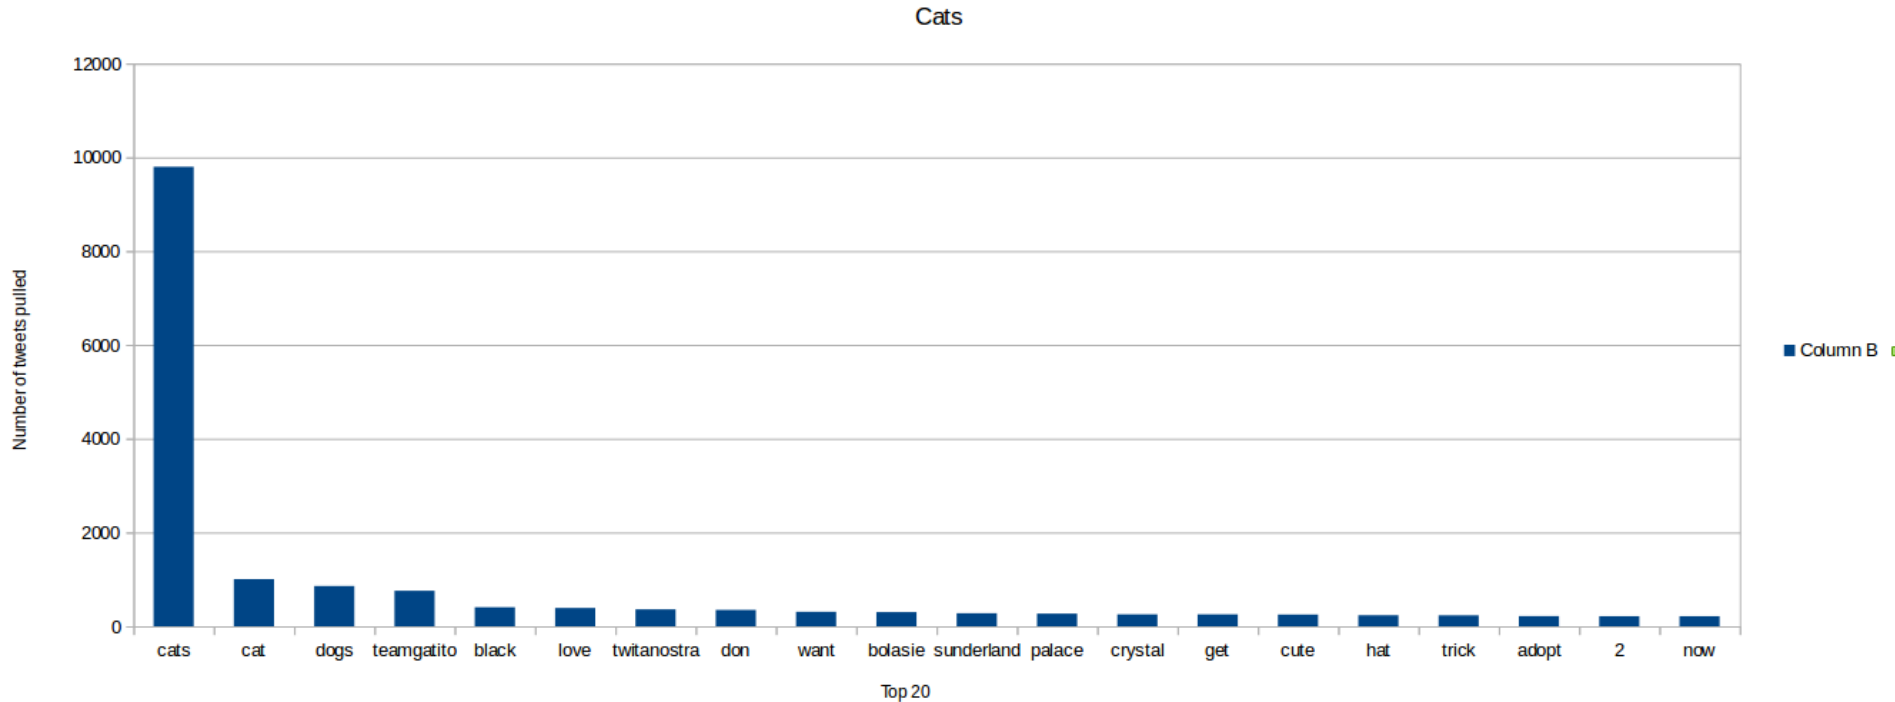

TweetAnalyzer

tweets are useful!

What Can We Do?

- Pull info from twitter using the twitter API
- See cool trends
- Have fun!

Some Data Visualisation

Interesting Trends

- 388/10000 tweets used the word love
- 306/10000 tweets used the word want
- 249/10000 tweets used the word cute

Problems

- Length of time it takes to analyze over 10k tweets (could be solved using concurrency)
- Interface not pretty (could be solved using TKinter)
